ROAD REPORT

as of 5/27/2013

ROADS	CURRENT STATUS/REMARKS Conditions are variable. The notes below are for planning purposes only and may vary or change with little or no notice.
General	<p>The roads & trails reported below may not have recent updates so they may be opening farther than listed. If you happen to travel these or any other roads and find them open farther than reported, please let the Ranger Station or a Forest Service employee know so that we can provide more accurate updates. If you find any trees in the road and have the means to cut them out of the way you are welcome to do so; if you do not, please contact the Ranger Station so that we can send someone out.</p> <p>Due to declining budgets we do not have the means to check on each road and trail; therefore, we rely on the public to provide feedback and input. If you know of any other roads or trails that are open, please call or stop in at a Ranger Station to report them and their condition.</p> <p>Thank you for your assistance and interest in the St. Joe Ranger District of the Idaho Panhandle National Forests.</p>
